Project Updates

Public Works Director Dave Buck updated the Commission on the following projects:

- Cumberland Avenue Ph. III Project – Storm sewer installation is ongoing and utility relocation is complete. Subgrade treatment will begin today. Progress has been delayed due to weather and Milestone is catching up wherever possible. Curbs and asphalt are planned to be installed on the inside lanes before winter. Progress updates are sent in biweekly newsletters to the community and posted on the project website.

- Cattail Trail Extension Project –Milestone moved onsite last week and has begun right-of-way clearing work. Grading work and retaining wall construction will be done this fall. The rest of the project will be built in the spring and summer of 2015.

- Northwestern Avenue Safety Improvements Phase III – Fence installation has begun. Approximately 500 feet of fence is being delivered and installed per week. Median fencing should be installed in the next two weeks. Signal equipment has started going up and is planned to be operational by the end of the month.

- Salisbury Street Ph. III Project – Work has been completed. A final change order is on today's agenda for approval.

- Ravinia Road Sidewalk Project – A quote, under \$50,000, has been received from Fairfield Contractors. An agreement will be presented for approval at the November meeting and the project will take place in 2015.

Stewardship Director Dan Dunten updated the Commission on the following project:

- Cumberland Park Dining Court – Grant funds from the Community Foundation of Greater Lafayette in the amount of \$24,160.00 have been received. The funds will reimburse the Redevelopment Commission for the shade sail structure in the Cumberland Park dining court as agreed.
- Northwestern Heights Right-of-Way Improvements Project – Meetings are ongoing with neighborhood representatives, Dan Dunten and City Attorney Eric Burns regarding concerns and development of the area. Fencing and landscaping will be installed after the concrete work has been completed.
- Happy Hollow Ravine Footpath Repair – Construction has been delayed due to weather.
